To our IUOE #9 Members,

We know the last few weeks have been a whirlwind and we are keeping everyone in our thoughts. Working together as a community we will all be stronger on the other side of this. We know it is important to do our part to keep our members safe for your family and ours. It is important as members to be adaptable in these types of situations and still meet the expectations of our employers. In accordance with current COVID-19 guidelines, we temporarily have not had any issues at our COLORADO locations beginning today, Tuesday, March 17th, 2020 and ask if you need to contact us directly that you call or email. **However, we are still here for you. We will be operating under normal business hours M-F 7-5** also visit www.iuoelocal9.com. It is important to us that because of this everyone stay safe and we are canceling ALL of our Membership Meetings for the month of April 2020. All notices have been emailed and USPS mailed and will also be posted on our website, please visit www.iuoelocal9.com for all updated closures and information. If you need to update any information with your mailing address, email, text provider and all phone contact information please contact us at p#303-623-3194. Should you have any further H&W Questions please visit www.iuoelocal9.com "Benefits" tab page as well to be directed to the proper contacts.

Thank you,

George Fields
